## Office of the City Administrator

**To:** Mayor Welch, Common Council Members  
**From:** Al Hulick, City Administrator  
**Date:** August 16, 2016  
**Subject:** Discussion and Possible Action on an Ordinance Amending Section 78-1966 of the Code of Ordinances of the City of Milton Concerning Political Message Signs.

---

### Summary

During the most recent election, while researching an issue, it was brought to the Administration's attention that a provision within the Milton Code of Ordinances pertaining to the displaying of political message signs was in conflict with established State Statutes Section 12.04.

Therefore, Ordinance 2016-424 was drafted to amend the City of Milton Ordinances to gain conformity with State Statutes and no longer restrict the placement of such signs to only 30 days prior to an election.

### **Sec. 78-1966. Political Message Signs.**

A political message sign is a temporary sign containing a message intended for a political purpose or a message which pertains to an issue of public policy of possible concern to the electorate, but does not include a message intended solely for any commercial purpose. Political message signs are permitted so long as they are in conformity with the requirements of Section 12.04, Wis. Stats., including all amendments thereto. Political message signs may remain in place during an election campaign period, as that term is defined in Section 12.04 (1) (a), Wis. Stats.

**ORDINANCE # 2016-424**  
**AN ORDINANCE AMENDING SECTION 78-1966 OF THE CODE OF ORDINANCES**  
**OF THE CITY OF MILTON CONCERNING POLITICAL MESSAGE SIGNS**

**WHEREAS**, the Plan Commission of the City of Milton having held a duly noticed public hearing on the proposed amendment of Section 78-1966 of the Code of Ordinances of the City of Milton concerning political message signs; and

**WHEREAS**, following said public hearing, the plan commission having voted to recommend to the common council approval of the amendment of Section 78-1966 of the Code of Ordinances of the City of Milton; and

**WHEREAS**, the Common Council of City of Milton having determined that it is appropriate to amend Section 78-1966 of the Code of Ordinances of the City of Milton to bring it into conformity with the requirements of Section 12.04, Wis. Stats., which provides for the regulation of political message signs, while still exercising control over the placement of said signs.

**NOW, THEREFORE**, the Common Council of the City of Milton do ordain as follows:

Section I: Section 78-1966 of the Code of Ordinances of the City of Milton is amended to read as follows:

**Sec. 78-1966. Political Message Signs.**

A political message sign is a temporary sign containing a message intended for a political purpose or a message which pertains to an issue of public policy of possible concern to the electorate, but does not include a message intended solely for any commercial purpose. Political message signs are permitted so long as they are in conformity with the requirements of Section 12.04, Wis. Stats., including all amendments thereto. Political message signs may remain in place during an election campaign period, as that term is defined in Section 12.04 (1) (a), Wis. Stats.

Section II. This Ordinance shall take effect and be in force from and after its passage and publication.

## Office of the City Administrator

**To:** Mayor Welch, Milton Plan Commission  
**From:** Al Hulick, City Administrator  
**Date:** September 6, 2016  
**Subject:** Public Hearing, Discussion, and Possible Action on Ordinance #2016-425 Creating Section 78-316(14) of the Code of Ordinances of the City of Milton Establishing Standards for Single-Family Dwellings.

---

### Summary

As construction methods change, and building materials evolve over time, the City of Milton is considering creating a standard for single-family dwellings. These standards will strive to provide a level of quality and protect the value and aesthetic integrity of its housing stock. The proposed standards would only apply to single-family dwellings and would be enforceable upon any existing single-family home. However, all new single-family home building plans would be subject to these new standards.

### Analysis

The current, minimum “standards” for single-family dwellings are relegated primarily to building size and setbacks. Therefore, there is little to no consideration to aesthetics and/or construction materials. The proposed minimum standards would include the following:

- a. Installed on an enclosed permanent foundation;
- b. Minimum floor area excluding the garage, decks, porches, and basement: 800 square feet of heated living space;
- c. Minimum width of short side of dwelling: 24 feet
- d. Minimum core area of heated living space: 24 feet by 24 feet;
- e. Pitched roof required with a minimum slope of 3 inches in height for each foot of width;
- f. Permitted roof surfacing materials (including accessory garages and carports); wood shakes, asphalt, fiberglass, composition or wood shingles, clay, concrete or metal tiles, slate, rubber membrane, built-up gravel materials;
- g. Exterior siding shall extend to the top of the foundation. If the top of the foundation is below grade, the siding shall extend to the ground; and
- h. Permitted exterior siding materials including accessory garages and carports); wood, masonry, concrete stucco, Masonite, vinyl, metal lap.

These standards were developed with consultation from the City’s legal counsel, area building officials and zoning ordinances, and the State Department of Safety and Professional Services.

**Recommendation**

The City Administration recommends the Plan Commission forward the proposed Ordinance establishing standards to single-family dwellings to the City Council with a favorable recommendation.

**ORDINANCE # 2016-425**  
**AN ORDINANCE CREATING SECTION 78-316(14)**  
**OF THE CODE OF ORDINANCES OF THE CITY OF MILTON**  
**ESTABLISHING STANDARDS FOR SINGLE-FAMILY DWELLINGS**

**WHEREAS**, the Plan Commission of the City of Milton having held a duly noticed public hearing on the proposed creation of Section 78-316 (14) of the Code of Ordinances of the City of Milton to Establish Standards for Single-Family Dwellings; and

**WHEREAS**, following said public hearing, the plan commission having voted to recommend to the common council the creation of Section 78-316 (14) of the Code of Ordinances of the City of Milton; and

**WHEREAS**, the Common Council of the City of Milton having considered the recommendation of the plan commission and having determined that it is appropriate to establish standards for single-family dwellings beyond those provided in the Uniform Dwelling Code adopted by the City of Milton in Section 10-82 of the Code of Ordinances of the City of Milton, to promote and safeguard the aesthetics of neighborhoods in which single-family homes are located in order to preserve the value of those neighborhoods;

**NOW, THEREFORE**, the Common Council of the City of Milton do ordain as follows:

Section I: Section 78-316 (14) of the Code of Ordinances of the City of Milton is created to read as follows:

(14) **Standards for Single-family Dwellings.** Single-family dwellings, except those in designated mobile home parks, must satisfy all of the following criteria:

- a. Installed on an enclosed permanent foundation;
- b. Minimum floor area excluding the garage, decks, porches, and basement: 800 square feet of heated living space;
- c. Minimum width of short side of dwelling: 24 feet
- d. Minimum core area of heated living space: 24 feet by 24 feet;
- e. Pitched roof required with a minimum slope of 3 inches in height for each foot of width;
- f. Permitted roof surfacing materials (including accessory garages and carports); wood shakes, asphalt, fiberglass, composition or wood shingles, clay, concrete or metal tiles, slate, rubber membrane, built-up gravel materials;
- g. Exterior siding shall extend to the top of the foundation. If the top of the foundation is below grade, the siding shall extend to the ground; and
- h. Permitted exterior siding materials including accessory garages and carports); wood, masonry, concrete stucco, Masonite, vinyl, metal lap.

The zoning board of appeals, as provided in Article II, Division 5, may waive one or more of the above minimum standards, except the standard in subsection a., upon a finding that the proposed architectural style provides compensating design features and the dwelling will be compatible with other dwellings in the neighborhood.

Section II. This Ordinance shall take effect and be in force from and after its passage and publication.
