Milton *A Community Since 1838*

Settlers of Milton traveled from New York in the 1830s seeking a place of rich farm land, abundant water and potential for commerce. Those traveling to Milton, with a population of 5,660, find this heritage alive and well in the historic buildings of the **Milton House Historic Site**, **Milton College** and numerous grout buildings, all on the National Register of Historic Places.

Tour the National Historic Landmark **Milton House Museum**, an 1844 stagecoach inn and stop on the Underground Railroad. Travel through time as you pass through a hand dug tunnel where runaway slaves were harbored on their quest for freedom.

Spend the day browsing through the **Milton College Historic District**, where a former dormitory has transformed into a unique antique mall. **Main Hall Museum** captures the spirit of 138 years of Milton College history.

Traveling one mile west you will find the "Junction" that developed with the railroad during the late 1850s, thus giving Milton two distinct business districts that afford today's travelers the opportunity to experience a variety of specialty shopping.

Year-round recreational opportunities are plentiful in Milton. Hike, bike, or cross-country ski through Milton community parks or **Storr's Lake Nature Preserve**, utilizing the **Ice Age Trail**. Fish in any of the five lakes surrounding Milton.

Bring along your golf clubs, as Milton is a golfer's paradise. Oak Ridge Golf Course offers 27 holes of beautiful golf. **Lake Koshkonong** also offers a myriad of recreational activities. At more than 10,460 acres, its waters reach a maximum depth of 7 feet, making it a fisherman's haven. Warm weather means boating, fishing, water skiing, sailing, and other water sports. In the winter, enjoy snowmobiling, cross-country skiing, and ice fishing.

The Milton area offers outstanding camping. Five campgrounds are located within 3 miles of the city, and offer more than 1,000 campsites and a variety of recreational activities.

If you're longing to return to the days of hometown festivals, visit Milton during the days surrounding the Fourth of July. The area's largest display of fireworks, a one mile or 5k road race, parade, softball tournament, rides, and food and drink are waiting for you.
